MEMORANDUM FOR: SSA/DDS

SUBJECT : Payment of Storage Charges of Household Effects of [REDACTED]. 25X1A9a

REFS: (A) Memorandum to Chief, Finance Division (through DD/P-Admin) from Chief, WH, dated 6 September 1953. Subject: Recommendation for Payment of Storage of Household Effects of Staff Agent.

(B) Memorandum to DD/P-Admin from Office of General Counsel, dated 16 March 1953. Subject: Payment of Storage Charges of Household Effects [REDACTED]. 25X1A9a

1. [REDACTED] is being sent to [REDACTED] as a Staff Agent [REDACTED] for an indefinite period of time to implement PP objectives in [REDACTED]. 25X1C4b

2. Under the circumstances cited above, [REDACTED] will be expected to establish residence in [REDACTED]. Under normal circumstances, the cost of shipping the agent's household effects and the payment of customs duties assessed on those effects would be borne by the Agency. However, since customs duties on such effects are extremely high in [REDACTED], in addition to the high cost of shipping the effects so great a distance, the Agency in this case would save a considerable amount of money by paying for the storage in the United States of the effects in lieu of shipping them to [REDACTED].

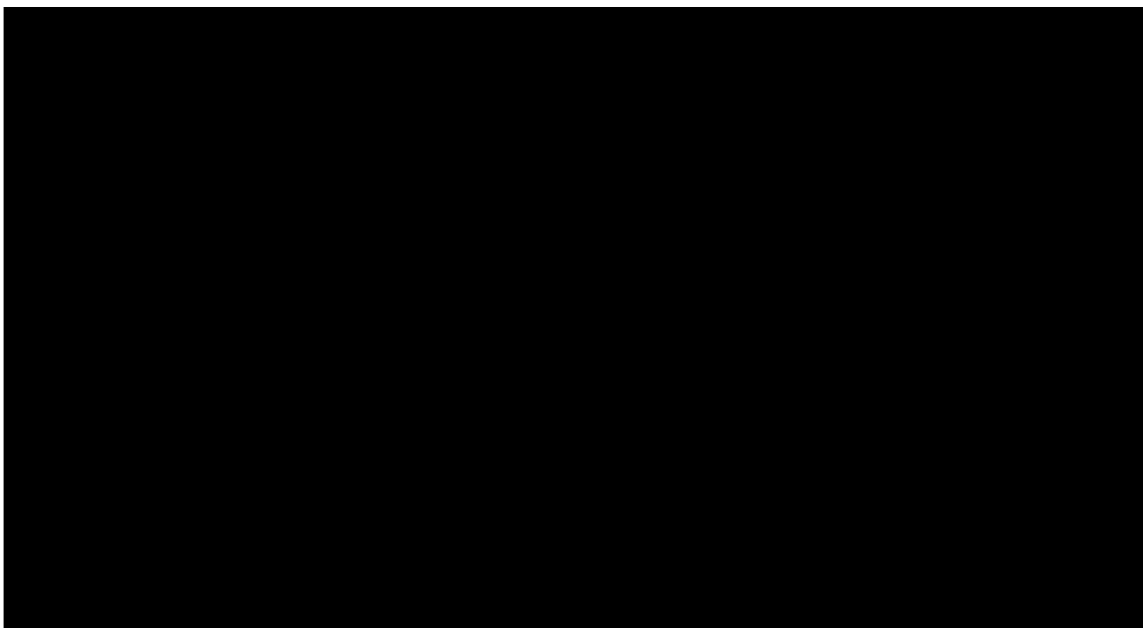

3. [REDACTED] is now located in Miami. [REDACTED] at [REDACTED]. He will probably depart for [REDACTED] sometime in February of next year. He has just arrived in Miami from his previous assignment in [REDACTED], where his household effects are now located. He has already requested that he be authorized to store in Miami at Agency expense those effects which he has not already sold in [REDACTED].

4. In view of the fact that the case of [REDACTED], a Staff Agent who was assigned to [REDACTED] in 1953, was much the same as the present case concerning [REDACTED],

it is thought applicable to reference that case. In reference (B), the Office of General Counsel stated that:

25X1A

25X1A9a On the basis of the above cited regulation and in accordance with the facts submitted in the [REDACTED] case, the Office of the General Counsel concluded that payment of the storage of the Agents household effects would be proper upon certification of the facts by the Area-Division through the Finance Office.

25X1A9a 5. Under the regulations cited above and on the basis of the precedent set in the [REDACTED] case, it is requested that authorization be granted for the payment of the storage in Miami of [REDACTED] household effects.
